PROPERTY DESCRIPTION

What could be more fun than a day in downtown Fish Creek? Living only a few blocks from downtown Fish Creek of course. This new, never occupied condominium home at Eagles Nest offers a carefree, worry-free lifestyle.

The greatroom with its eleven-foot ceilings, generous southerly facing windows and stone fireplace is a wonderful gathering space. The kitchen and dining room are open concept and the rooms are filled with more windows, beautiful custom-made cabinetry, ample counter and storage space and stainless appliances. Rounding out the main level are an entry foyer with closets flanking the door, a powder room and the laundry center with more custom cabinetry providing lots of storage.

Upstairs the master suite features a large window to fill the room with light, his & hers closets, a spacious room to accommodate the largest of furnishings and a private bath. The second and third bedrooms are also filled with natural light and generous closets. All bedrooms are fitted with quality fan/light fixtures. These bedrooms share a bath, and a built-in lined closet in the hall provides, again, much appreciated storage.

The garage is a large one and one-half stall, the backyard patio is accessed via a kitchen door, and the backyard lawn and front landscape are maintained by the association. And you'll never have to shovel the snow!

Walk to the Fish Creek YMCA, the Door County Auditorium, shopping, dining and Clark Park—Fish Creeks sand beach with great swimming.

All this at a very attractive price! **Be sure to click on the virtual tour link—scroll back up and look under "More Information" to view the tour.**
